We have several work projects lined up if you want to get involved but please do not feel obligated to do so. Please take time to relax and enjoy the area.

SPECIAL MEAL ON THURSDAY

On Thursday evening of Family Camp there will be a special service during our evening meal. Along with the regular meal, we will hold a SEDER. A Seder is a service held at home as part of the Passover celebration. Participants use a book called a haggadah to lead the service, which consists of storytelling, a Seder meal, and concluding prayers and songs.

Mark and Janet Layman will prepare and serve the traditional food and drinks while Dr. Mark Berrier leads the service and teaches the related lessons.

CAMP WILL END ON FRIDAY AFTER LUNCH.

We enjoyed the largest Senior Camp in many decades here at Christ's 40 Acres this year; 123 campers which was up from 96 last year. 75 were "FIRST TIME" campers, 25 of which came up from Junior Camp last year. That means there were "50" who were at Senior camp for the very first time ever! **PTL!** That left us hustling for more food and supplies but the Lord was good. There were around 50 decisions for Christ most of which confessed Christ and were baptized either in Rock Creek or when they got home. With so many graduating up to Senior Week from Junior week last year, it left our Junior Camp a little smaller than last year but it was still a GREAT week of camp. Mike & Tare Dawson of Hartshorne, OK did an awesome job directing the Senior Week and Ty & Memory Curry of the Clayton

Girls praying in the dorm.

Swimming in Rock Creek.

Church did a great job leading the Junior camp. Special thanks to these two couples and all the helpers and counselors who gave their best for the children.

Baptisms in Rock Creek.

Campers gather at the old bridge on Rock Creek for many baptisms.
